

Values / SMSC

This half term we are going to be thinking again about fixed and growth mind-set and how we can adopt the latter.

We will continue to think about our values during whole school and class assemblies.

We will be using Jigsaw to support with our personal, social, health and emotion development

Key Events this Half Term

Within this leaflet you will be able to find out about the learning

adventure that your child will be going on this half term.

At London Colney, we strive to deliver a

personalised, creative and enriched curriculum for your child, whereby they can develop and master a wide range of skills.

We endeavour to provide opportunities for your child to learn in a way that is engaging, purposeful and fun!

We hope your child experiences this on their learning journey this half term and if you have any questions, don't hesitate to ask.

London Colney Primary and Nursery School

Nathan Bryon
Learning Adventure

Toys

English

Within our English lessons, we will be focusing on the text 'The Adventures of Egg Box Dragon' by Richard Adams. We will be developing our writing skills through drama and shared writing. We will be writing for a range of purposes; instructions, descriptions, invitations and stories. We will be consolidating what a sentence is and learning how to write sentences independently.

Learning Adventure

Our learning adventure this half term will be Toys.

The children will explore how toys have change throughout the years. From what they are made out of, how they are designed and how they are made.

Computing

We will be using Purple Mash to learn about Online Safety.

Religious Education

In RE, we will be exploring the Creation Story, with a focus on Christianity. We will be investigating the question 'Does God want Christians to look after the world?'

Maths

In maths this half term, we will be focusing on place value.

Science

In our science work we will be exploring the topic 'Everyday Materials'. We will be looking at different materials, objects made from the different materials and the properties of the different materials. EG: waterproof, transparent and durable.

Physical Education

We will have weekly PE lessons this half term on Tuesday and Thursday. Our focus will be Outdoor Adventurous Activities and Athletics.
