

Learning Adventure

Our learning adventure this half term will be Early Islamic Civilisation.

Children can be introduced to the idea that people from other civilisations have contributed to many ideas that impact on us still. They will learn about some of the differences in way of life between citizens of Baghdad and London c. AD 900.

Values / SMSC

In our PSHE work we will be learning about 'Changing me'. We will be reflecting on the past year and how they have changed. Children to consider the new challenges ahead and how they may face these positively.

English

At the start of the term we will be taking part in a whole school text.

Within our English lessons, we will be writing a range of descriptions, developing our use of vocabulary, punctuation and sentence structure.

Maths

We will start our half term in maths by continuing our knowledge of decimals.

We will then move onto exploring money, followed by time, statistics, properties of shape and geometry (position and direction).

With all our work, we will constantly be looking to reason and problem solve.

Curriculum Leaflet Year 5 Spring Term

Key Events this Half Term

- Please see the website for upcoming events.

Religious Education

We will be using Hertfordshire's Locally Agreed Syllabus for Religious Education to learn about Hinduism. We will be exploring the question How can Brahman be

Science

Children will learn about the movement of the Earth, and other planets, relative to the Sun in the solar system. They will also understand the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.

Computing

We will using Purple Mash to learn about data collection and presentation.

Physical Education

We will continue to have weekly PE lessons this half term on Tuesday,

Thursdays and Fridays. Please ensure your children come into school wearing trainers.
