Dear Parents and Carers

RE: Junk Orchestra
Wed 7th February 2024
Nursery & Reception Children

As part of our continued drive to raise standards and the quality of education for your children, we are constantly striving to provide our pupils with stimulating, creative and purposeful experiences that can aid their learning.

With this in mind, I am writing to share with you a fantastic activity we have planned here at school for our EYFS children. The 'Junk Orchestra' are coming into school! They will perform for the children and then lead the children in a workshop. There will be 30 or more 'instruments' made from various 'junk'; tubes, cones, tyres, plant pots, pans, buckets and all sorts of different things. Through the musical play children will discover rhythms, cinematic soundscape, form bands and conduct each other. It will be great fun and very noisy!

The session will take place during the morning so if our afternoon Nursery children would like to join in they can come in for the morning session instead of the afternoon.

As with all activities, there will be a small cost involved. The price is £6.95 per child. Payment can be made online via the School Gateway.

We really hope that you will be able to support us with making this day a success as it will be an amazing experience for the children and will impact on their learning. Should you have any questions, please feel free to come and speak to us.

Kind Regards
Sarah Joyce
