

### EYFS September 2025 Starting Timetable

To help your child have a calm and confident start at London Colney, we have arranged a staggered start timetable. We know that starting school is a big step, and your child may still be getting to know their teacher, the classroom adults, and new friends. A gentle transition gives them time to settle at their own pace. If your child needs a little more time, we will work with you to offer a slightly reduced timetable at first, gradually building up their hours as they grow in confidence.
