Dear Parents and Carers

**Re: Hot Weather Update**

We have received a Heat Health Alert for early next week and wanted to keep you informed about our plans to ensure the wellbeing of our pupils and staff.

As you can appreciate, it is very difficult to make firm plans in advance when dealing with unpredictable weather, and sometimes decisions need to be made at short notice. At this stage, the forecast indicates very high temperatures on Monday.

Due to the small size of our classrooms and the lack of direct access to outdoor air through playground doors, we anticipate that the building will become extremely warm during the day. To help manage this:

Parents are welcome to collect their children home at 1:30pm on Monday if they wish to do so.

Children who remain in school will be kept as cool and comfortable as possible with regular breaks, shaded spaces, and limited physical activity.

Please ensure your child comes to school with:

- A water bottle
- A sun hat
- Suncream applied before school

We will continue to monitor the situation and will update you if there are any changes.

Thank you for your understanding and support.

Warm regards,

Sarah Joyce  
Headteacher
