

Within this leaflet you will be able to find out about the learning adventure that your child will be going on this half term.

At London Colney, we strive to deliver a personalised, creative and enriched curriculum for your child, whereby they can develop and master a wide range of skills.

We endeavour to provide opportunities for your child to learn in a way that is engaging, purposeful and fun!

We hope your child experiences this on their learning journey this half term and if you have any questions, don't hesitate to ask.

### Values / SMSC

This half term we are going to be thinking again about fixed and growth mind-set and how we can adopt the latter.

We will continue to think about our values during whole school and class assemblies.

We will be using Jigsaw to support with our personal, social, health and emotional wellbeing.

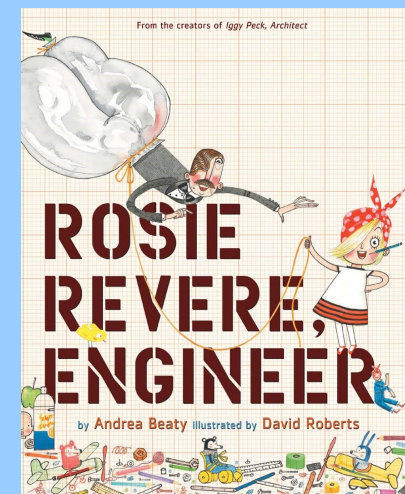

### Key Events this Half Term

- Year 4 swimming every Tuesday 10-10.30am.
- World Book Day- 7th March.
- Year 4 Class Assembly 5th March.
- SAPSMA rehearsals and performance at Alban Arena 27th March.

## London Colney Primary and Nursery School

Joe Todd-Stanton  
Learning Adventure

Year 4

### English

Within our English lessons, we will be using the text 'Rosie Revere, Engineer' by Andrea Beaty as our focus text. We will be developing our inference skills to think about character and setting. We will be writing a range of descriptions, developing our use of vocabulary, punctuation and sentence structure.

### Learning Adventure

Our learning adventure this half term will be the Romans.

We will begin our topic by exploring and investigating the Roman Empire and its impact on Britain. We will learn about Julius Caesar and his attempts to invade and conquer Britain. We will explore the Roman army and their effectiveness in conquering, as well as investigating the British resistance including the role of Boudicca.

### Computing

'Online Safety/effective researching'. We will be learning how to use the internet safely and how we can research effectively.

### Maths

We will start our half term in maths by continuing our knowledge of multiplication and division.

We will then move onto exploring measurement (area), followed by fractions and decimals.

With all our work, we will constantly be looking to reason and problem solve.

### Jigsaw

In our PSHE work we will be learning about 'Healthy Me'. We will be thinking about and considering how to stay healthy—both physically and mentally and how a healthy lifestyle can lead to a happy life. .

### Science

Electricity—children will be identifying common appliances that run on electricity. They will conduct a simple series electrical circuit, identifying and naming its key components.

### Religious Education

We will be using the Jigsaw scheme of learning for Religious Education—Easter concept: Salvation. Is forgiveness always possible for Christians?

### Physical Education

We will continue to have weekly PE lessons this half term on Tuesday (swimming) and Wednesday's.
