

Learning Adventure

Our learning adventure this half term will be *Asia: Mountains, Volcanoes and Earthquakes.*

During this topic pupils continue exploring Planet Earth specifically Asia, children will learn about physical and human features of the continent. They will be introduced to different concepts including tectonic plates and will understand how they can cause and affect natural disasters.

Religious Education

We will be using Hertfordshire's Locally Agreed Syllabus for Religious Education to learn about Easter.

Key Question: How significant is it for Christians to believe God intended Jesus to die?

Values / SMSC

In our PSHE work we will be learning about Personal health. We will be discussing both physical and mental health, as well as body positivity.

Curriculum Leaflet Year 5 Spring Term

Key Events this Half Term

- Please see the website for upcoming events.

Computing

We will using Purple Mash to learn about Game analysis and creation.

English

At the start of the term we will be reading a book called *Monsterology.*

Within our English lessons, we will be writing a range of texts including formal letters and non chronological reports. During these lessons we will work on, developing our use of vocabulary, punctuation and sentence structure.

Maths

We will start our half term in maths by developing our understanding of fractions and decimals.

We will then move onto Measuring angles.

With all our work, we will constantly be looking to reason and problem solve.

Science

This term we will be learning all about Forces. We will plan, complete and asses a range of experiments, testing the effects of gravity, air resistance, water resistance and friction.

Physical Education

We will continue to have weekly PE lessons this half term on Tuesday and Thursdays.

The PE focus this half term is Handball and Gymnastics.

Please ensure your children come into school wearing trainers.
