Dear Parent/Carer

Re: Year 5 & 6 Mini Police Programme

We are delighted to inform you that students in Years 5 and 6 will have the opportunity to participate in the **Mini Police** programme, a fantastic initiative in partnership with our local police force. This programme is designed to give children an insight into the work of the police, while also fostering values such as responsibility, leadership, and community awareness.

During Mini Police the children will participate in a range of activities that promote safety, citizenship, and teamwork. They will also have the chance to represent the school in local community events and initiatives, further building their confidence and skills.

The sessions will take place on Friday afternoons for the next 5 weeks. We believe this is a wonderful opportunity for the children to engage with important aspects of community life and develop essential life skills.

Thank you for your continued support, and we look forward to seeing the positive impact this program will have on our pupils.

Yours faithfully

Sarah Joyce
